Dear Concerned Citizen for Washington Cemetery Care:

Our organization will meet next Sunday, October 1, at 2:30 p.m. at the First Evangelical Church, Holman and Caroline, across the street from San Jacinto High School. Parking will present no problem. You may park on the high school parking lot (in front of the church), on the Austin Street side of the church or behind the church.

Besides our regular members, many will receive this letter who have been contacted once by telephone and other who have never heard of our organization. Your names have been supplied as being descendants, relatives or friends of persons buried in Washington Cemetery. We hope you will be interested.

To state our case briefly, Concerned Citizens for Washington Cemetery Care, Inc., is a non-profit organization organized in January, 1975, by descendants and relatives of persons buried there. The sole purpose of preserving and beautifying the cemetery is our only goal. We collect no dues. As you probably know, the condition at Washington Cemetery has been deplorable and a disgrace to our ancestors for a number of years.

We feel this meeting will be an important one, and we urge you to attend.

We wish to take this opportunity to thank one of our members for his donation of the cost of the bulk rate mail permit for this year. We also wish to express our thanks to Sue and Howard Wilson, who have done the "leg-work" required in dealing with the post office to make this permit a reality. Needless to say, this reduced rate will mean a substantial savings on postage for our organization.

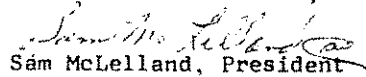

Finding descendants or relatives of the original 1,250 lot owners dating back to 1875 presents no easy task. If any of you know any descendants or relatives or have any leads at all for the following ten cemetery lots, please contact Lois King - 682-3375:
