

June, 1984

Dear Concerned Citizen for W.C.C.:

The plan to reach our goal of perpetual care for Washington Cemetery in five years by asking for pledges of interest-free loans has not been successful. Pledges for only a third of the amount needed plus outright gifts of approximately \$5,000 were received and now we must go to an alternate plan.

THIS IS OUR ALTERNATE PLAN as approved at a special meeting of your Board of Directors Thursday, June 14, 1984. We presently have \$105,000 in C.D.'s. This \$105,000 plus the \$5,000 gifts mentioned above plus an additional \$40,000 will give us \$150,000 to invest. \$150,000 invested at a minimum of 10% will accumulate to \$241,000 at the end of five years. PERPETUAL CARE FOR WASHINGTON CEMETERY !!!

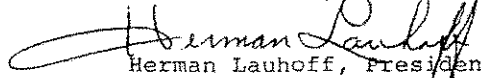

\$40,000 sounds like a lot of money BUT if 400 people will each give \$100, this will raise \$40,000 and God willing, we will live to see our goal of perpetual care achieved at the end of five years. Contributors of \$100 or more will be members of our "400+ CLUB" and will be issued certificates as evidence of their contributions and participation in this historical endeavor.

It must be understood that we will not touch the principal nor interest for any reason for five years and at the end of five years, use only the interest. This means we must continue to collect the annual maintenance donations to cover maintenance and operating expenses. Donations to the Maintenance Fund have fallen short of covering expenses during the past three years and it has been necessary to use a small part of our interest income. To reach our goal of \$241,000 in five years, we must keep the interest invested along with the principal.

Show your concern about Washington Cemetery by becoming a member of our "400+ CLUB." Membership certificates will be numbered and early subscribers will be assigned the lowest numbers. Send your donation of \$100 or more as soon as possible.

Sincerely,
