

Clements' Corner, Table of Contents

Governor Clements, Historian of Concerned Citizens for Washington Cemetery Care (CCWCC), and later a founding Trustee of Washington Cemetery Historic Trust (WCHT), started writing this history column in the CCWCC/WCHT newsletter in October 1991, initially focusing on families that were not included in the 1988 "Washington Cemetery Centennial Book." Over time, the column grew to also include more general information about the cemetery and some of the organizations associated with it. We hope you will enjoy (re)reading some of these stories.
